What Do We Want?

Communication

Documentation

Participation

Communication

- Video Conferencing of Meetings
  - Talks on Computer before meeting
  - Good Minutes
  - Important Meetings at a reasonable time!

  - **3pm Chicago time is 9-10pm Europe Time!!**

Documentation

- The Current Web Pages are not **Sufficient!**
- All ID groups need to have clear easy to find documentation:
  - How to use the package
  - What the package does
  - Contact Person

Conclusion

- Significant Contributions coming to an experiment near you…..
